FOOTBALL 1971

1971 fall football made a respectable showing. Plagued by injury, the team showed energy and effort, ending the season with a 4-5 record. Outstanding players were Joe Pendergast, Joe Burkehead, Damian Rinaldi, and Steve Riley. Substitute Bob Thayer did an excellent job filling in for injured quarterback Dennis McCleary.

SOCCER

Once again Coach Carson steered his varsity soccer squad through another exciting and successful year. Despite the team's youth and doubts concerning another successful outcome, the soccer team not only ranked first in its third Bay State League championship, but even made it to the semi-finals to meet Concord-Carlisle, Lincoln-Sudbury, and finally New Bedford. The success of this season has been attributed to the leadership of the co-captains, Ron Clang and Steve Paylor, along with the outstanding individual efforts of the entire team, among them seniors John Libertini, Willy Thibodeau, Mike Walsh, Rich Borst, Mike Rone, Nick Ulli, Bob Burbank, Rich DiMartino, Eddie O'Brien, and Mark Valle.

The Girls' Gymnastics Team was equally as successful as the boys' team. They were undefeated and were the Bay State League Champions. The girls have justly earned their top notch position from a great deal of dedication and hard work along with the outstanding coaching they have received from Miss Smith.

Led by Captain Leslie Benson who competed on the balance beam and in vaulting, the team included seniors Joyce Squarebrigs (on floor and beam), who also qualified for the state individual championship, Linda Sanmiguel (on uneven bars), Janet Squarebrigs (on floor), and Sue Partridge (on the uneven bars) who also qualified for the state individual championship, one of the many highlights of the season was the team's scoring of 82.07 points against Norwood, setting a new Bay State League record. Then the team went on to win the state team championship.

GIRLS' GYMNASTICS

FIELD HOCKEY

If anything, it was certainly a memorable year for the varsity field hockey team. The chips may have been down but the girls' traditionally lively spirit was never lost. Unfortunately, luck was not on their side. Almost every game was determined by one single goal in the last minute of play favoring the opposing team. The one exception was Framingham North over whom the squad was grandly victorious with an exciting score of 1 to 0. The varsity field hockey team, coached by Mrs. Redmond and led by co-captains Ginny Sleep and Linda Shaw, included seniors Leslie Benson, Betty Jane Boogusch, Janice Callahan, Kathi Demeo, Anne McClellan, Sue Partridge, Julie Pettengill, Joanne Perpetua, Janet Roche, Linda San Miguel, Patty Reardon, and Marjorie Sullivan.

As expected, Braintree's gymnastic team came out on top, clinching the Bay State League championship for the second year in a row as well as going for a second straight year without defeat. The seniors who represented the "triUMPHant" team which scored over 100 points at every meet were co-captains Steve Shepherd, and Jay O'Brien, with Al Herrick, Mike Roche, Mark Valle, Bob Burbank, John Himmel, and George Lee. Among the outstanding performers in both the Bay State League and State Individual championships were Al Herrick who placed first on the side horse in both competitions, John Himmel who tied for first place on the parallel bars in the Bay State League, and co-captains Jay O'Brien and Steve Shepherd who placed 7th and 8th respectively on the high bar in the State. To cap a perfect year they went on to win the Mass. State Championship.

BOYS' GYMNASTICS

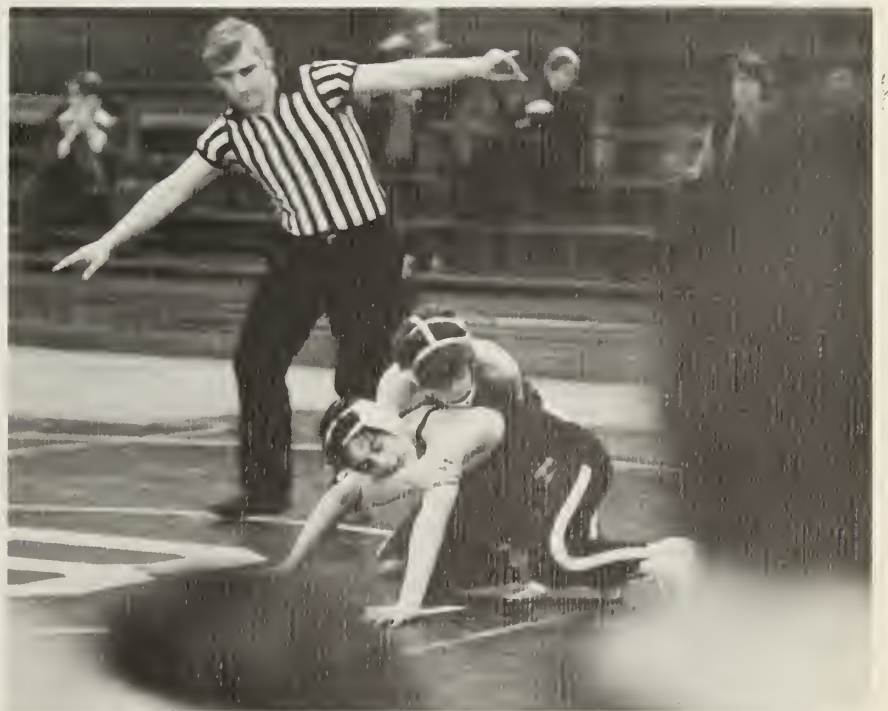

The overall lack of experience was a handicap during the first half of the year, but as the season progressed, continued improvement resulted in a 6-4-1 record. The most memorable match was with Dedham, where the Braintree team came from behind to win. Outstanding were Chris Pacelli, Steve Weinacht, Kevin Kearney, Jack Kilrairie, and Damian Rinaldi.

WRESTLING

Hard work and determination were characteristic of the indoor track team, coached by Mr. Aldrich and managed by Doug Parsons. The team held a final record of 3-6. Outstanding performances were put in by Bob Lysakowski in the high jump, Russ Blake in the two mile, co-captains Steve Paylor and Steve Berardinello in the mile and 45 yard high hurdles respectively, and Kevin Kinnon in the mile. Junior Louis Frisina showed well in the shotput. Sophomores Craig Jordan, Ronnie Pompeo, and Neil Roberts showed much promise for next year. And senior Gene Baker broke the school's 2-mile record.

CROSS COUNTRY

Captained by Russ Blake and Gene Baker, the team finished the season with a 5-4 record. They placed 6th in the Class A meet.

INDOOR TRACK

BASKETBALL

The basketball team showed much strength and promise this season, tying third place in their league. They finished with an 11-7 record with Ricky Tona, the high scorer.

The boys missed the Tech this year when they were downed by one point in the last game with Milton — but there's always next year!

GIRLS' BASKETBALL

The girls' varsity basketball team finished fifth place in the Bay State League with a record of five wins and four losses. Losing four close games at the beginning of the season, they steadily improved, finishing 6-4 and averaging 40 points per game to their opponent's 29. Pat Leminen and Linda Shaw led in the scoring department. Junior varsity placed third in the Bay State League with a 7-2 record.

HOCKEY

With a record of 11-3-4, the hockey team came into its own this year. Aided by center Steve Woods, right wing Dennis McCleary, and defenseman Bob Sunderland, the team had an exciting season in its 0-0 tie with Needham, its two qualifiers with Brookline and Winthrop, and finally the quarter finals with Matignon.

THE CHEERLEADERS

The peppy varsity cheerleaders, led this year by co-captains Lee Reinhalter and Marylou McDonough, provided inspiration for Braintree High's football, basketball, and hockey teams. With help from both Miss Smith, their coach, and Miss Boras, the cheerleaders placed third for the first time in the history of B.H.S. at their annual competition in Needham.

THE DRILL TEAM

Under the direction of Miss Maureen Connolly, the fifty-four member drill team, sporting "spiffy" new uniforms, added sparkle and moral support to Braintree High's football team. Besides encouraging our team with half-time entertainment, the girls also provided spark and spirit to our town parades.

THE BAND

Who wears blue blazers, white turtle necks, white flares, grey socks, and white bucks? Not a walking detergent advertisement, nor the Man from Glad, rather it's the B.H.S. Band dressed in full regalia, musically representing Braintree in its many endeavors. Led under the capable direction of Mr. Rubino, the band's year began by learning how to mark each down-beat with the left foot, while playing new music around a wind-swept track. Then with the aid of a pair of muddied old shoes and much hard work, the halftime football shows represented the culmination of a few weeks' preparation. Upon the termination of the football season, the work began on an active concert season which included a Christmas and a Spring Pops Concert, an exchange concert with Waterville, Maine, and performances at various schools and public functions. During these times, the band displayed its musical diversity not only through the variety of musical literature performed, but also through the Dance Band and the Woodwind and Brass Ensembles.

THE MAJORETTES

Meeting with the band daily, a group of girls made their presence known through dazzling routines of twirling skill. Better known as the majorettes, they were led by Gail Bagnulo and Janet Breslin to create routines that not only showed precision, but also formation and rhythm. Under the guidance of twirling champion Barbara Paine, the majorettes learned and perfected many routines for concerts, parades, and various competitions.

The Student Council this year, under the direction of Mr. Walsh, actively worked in the interest of the student body by sponsoring several dances, running the concession stand, and keeping the student lounge open seventh and eighth periods. Always busy, whether holding a car wash, an exchange with Scituate High School, or activity day debates, the Council was always searching for better student-faculty communication. In preparation for the new high school, the Council also formed several committees to discuss such topics as curriculum, constitution, and open campus.

Picasso is alive, well, and living in Mr. Larson's art room.

PHOTOGRAPHY CLUB

In an attempt to detect any latent Gordon Parks in our midst, the B.H.S. Photography Club offers its members the opportunity to learn technical skills, composition, and creative expression.

MOD SQUAD

Sometimes the scene looks like Romper Room or Roller Derby, yet in actuality it is Braintree's Mod Squad, working with a group of sixth graders without the presence of a teacher in one of the town's grammar schools. Although the name is misleading, the purpose of the Mod Squad is to guide sixth graders in understanding and forming their own opinions on such topics as drugs, drinking, and smoking. In a series of five one-hour sessions mixed with games and artistic recreation, the Mod Squad teams, consisting of two boys and two girls, present the facts to the youngsters.

RIFLE CLUB

Mr. Trocki's boys are building a strong team. This year's big surprise was an upset match against last year's state champs, Bedford High. With outstanding marksmen like sophomore Brian Stonkus, and juniors Paul Cavanagh and Don Lang, the team has high hopes for making the Middlesex Scholastic Rifle League next year.

CHESS CLUB

This year's Chess Club entered its first year of competition in the strong South Shore Chess League and is currently in third place after beating Thayer, Hull, and North Quincy. The group shows promise of being a chess power to be reckoned with in coming years.

FUTURE TEACHERS' CLUB

Visiting various schools like Living and Learning Center and the Ross School, the Future Teachers' Club prepares its members for facing life on the other side of the desk.

SENIOR OFFICE STAFF

FUTURE SECRETARIES

The Future Secretaries Club prepares its members for the many experiences they will encounter in the business world. Through various fund raising events, the girls were able to raise money for a scholarship. This year the scholarship was awarded to Anne Pena, the club's vice-president.

FRENCH NATIONAL HONOR SOCIETY

If you see people on the stage with their pant legs rolled up, or greasy monkey wrenches in their hands, or Santa Claus figures running about, then you are probably witnessing another monthly meeting of the French National Honor Society. The busy agenda includes plays and games and food. Of course, refreshments always go over well, but one must never dare mention the month the punch was spiked. That meeting the "higher" aspects of French culture were discussed!

NATIONAL HONOR SOCIETY

Reflecting changing times, the society is developing a new image. Plans for travel abroad and meaningful service work are in the offing.

THE FRENCH CLUB

The French Club, or more elegantly, Le Cercle Francais, also encouraged interests in French culture and cuisine. Continually thinking of nourishment, the French Club held a bake sale and a luncheon excursion to a French restaurant. Foreign words, set to the tunes of "White Christmas" and "Jingle Bells" were heard around those homes of people who so kindly offered hot chocolate and Christmas cookies to these wandering minstrels. The club also donated "une bourse," which is a scholarship, not a French pastry, to a graduating senior intending to continue in the study of French.

FUTURE MEDICAL CLUB

Field trips, volunteer work, fund-raising activities, including sponsoring a film and feeding hungry faculty, a scholarship award, are just a few of the concerns of this inventive and industrious group.

DEBATE CLUB

"Resolved: The Jury System of the United States Should Be Significantly Changed." That's the topic this year's novice team, under the direction of Mr. Storms, is tackling with expertise. The group is proving a formidable threat, entering varsity championship tournaments and Juniors Louis Frisina, Pat Haggerty, and Eileen Harrington winning speaking awards and trophies.

MATH TEAM

Captained by Mark Barry, the Math Team participated in four interschool contests in the South Shore Division of the Greater Boston Math League. The team gave a respectable showing in sixth place, aided by Mark Barry, Mike Bookman, and Joe Baldassini.

MATH CLUB

Math Club members see math from an historical viewpoint and as a hobby. The group traveled to Control Data Institute and saw computer hardware in operation and saw high school computer programming in action at Blue Mills.

DRAMA CLUB

The Dramatics Club, under the direction of Miss McKay, has had an extremely productive year. In the fall, they presented "Romanoff and Juliet." They participated in the Massachusetts Drama Guild Festival at Marshfield. Their presentation, "The Interview," was an offbeat examination of the absurdities of modern life.

CONCERT CHOIR

The Concert Choir is open to all students interested in vocalizing together. Their range includes popular songs. Occasionally they join forces with the Madrigal Singers to make their own kind of music.

MADRIGAL SINGERS

The Madrigal Singers are a select group of young musicians who have serious musical ambitions. They work hard to achieve an end result that is certainly worth the effort. They perform at all B.H.S. musical assemblies, visit local junior highs, go caroling at the South Shore Plaza at Christmas time. They are directed by Mr. Clinton. Beverly Chatfield is the piano accompanist and Carol Nicholaris also conducts.

DISTRIBUTIVE EDUCATION CLUB OF AMERICA

DECA offers its members the opportunity to work, study, and train in their vocational fields. The students prepare manuals, organize and run their now famous candy sales (Remember the Pudgy Devil?), and learn through interviews, field trips, and practical experience, the many opportunities in the business world.

NEWSPAPER

These students of journalism have a first hand experience of the trials and tribulations of putting together a representative school paper. Through field trips to newspapers and high school journalism conferences, they learn the techniques and wide ranges of philosophy involved in creating a school paper.

Can young love thaw the Cold War? Will Freddie find happiness with Marfa? Will Hooper and Beulah ever reconcile themselves to the fact that they have a Russian son-in-law? Will that stupid clock ever tell the right time? Only Peter Ustinov and the B.H.S. Drama Club know for sure.

"Guys and Dolls"

"Guys and Dolls," Braintree High's first Broadway musical, was a huge success. Planning for this show began in early November. A special rotating stage was constructed for the show by David Whitham, allowing versatility in scenery changes. Leading roles were Lisa Elvin as Adelaide, Bill Bregoli as Nathan Detroit, Barbara Grefe as Sister Sarah, and Geoffrey Campbell as Skye Masterson. The high point of the evening was when Mr. Clinton received a director's chair and a megaphone signed by the cast.
